## WHAT YOU WILL LEARN

This program is designed to address the challenges of handling medical malpractice cases in Louisiana. Key procedural and substantive issues, as well as the practical aspects of handling a med-mal case will be discussed by veteran malpractice plaintiff and defense counsel, and the Executive Director of the Louisiana Patient's Compensation Fund. Topics include coverage under the Medical Malpractice Act, prescription, screening cases, settling with the PCF, the cap on damages, and traps for the unwary. Also, a panel of current and former trial judges will share what they've seen in the courtroom -- the blunders, the home runs. Don't miss this opportunity to increase your knowledge, hone your skills, get new ideas.
